The Bus Stop

Climb up and over the bus on a cargo net.
There is safety netting all the way along the side to prevent any falls from the top

Ayres Rock

Giant walls for participants to work as a team to climb over, They have rock climbing hand holds attached to help participants get over.

Trauma Tunnels

Squeeze your way through a short length of pipe in a muddy bog – 7.5m long

Water Canon

Run through water blasted by the a rural fire service

Head over Heels - Navigate your way through stacks of bungee cord set out like a spider's web with tyres and hay bales in your way

Giant slip & slide

Slide along a section of wet plastic, edges are made with hay bales wrapped in black plastic to prevent anyone from sliding off the plastic and the landing pool is similar to what you see at a theme park a 10m long straight section with shallow water to slow you down.

Stuck in the mud

This obstacle involves participants crawling on their Stomachs through a muddy area.

The Haystack

Participants scramble up over large round bales of hay.

Devils Cave

Navigate your way through a dark room – built out of timber frame and wrapped with dark material. There are hanging pool noodles, tyres and hay on the ground and water dripping from the roof to add to the cave.

Cable Chaos

Climb your way over large cable drums/reels. Participants will need the help of fellow stampedeers

Gladiators

Dodge the gladiators who will attempt to block your way whilst you run through a gauntlet of hay bales and tyres. There are 3 gladiators in the gauntlet with jousting sticks and blocking pads.

Sunday Roast

Leap over 3 controlled fire flames of no more than 1m that the fire brigade will be manning.

Mud Buffet

Wade, crawl and struggle through a mud pit with barbed wire on top to force patrons to get down and muddy – 15m long by 10m wide by 0.5m deep

The Bugzapper

The Bug Zapper uses a .5 of a joule strength solar powered electric fence energiser. This is an extremely low powered energiser. Participants must run through 10,000 volts of electricity whilst jumping over hay bales.

Ramp it Up

Run up this sloping ramp to get to the top

Hurdles

Participants need to jump or climb over the hurdles. There will 4 hurdles to accomplish of varying sizes.

Tyre Tunnels

Squeeze your way through a tunnel of truck tyres

Highs n Lows

Run across an oversized see saw to reach the other side.

Tyre Tumble

Scramble your way up over and down a net made entirely from tyres.

Rope Wrangle

Climb your way to the top of the rope no more than 2m from the ground to ring abell, then climb on down.

Cliff Hanger

Scale a 45% over hanging cliff wall to get to the other side.

Aqua Lily Pads

Run, scramble or crawl over floating lily pads on water.

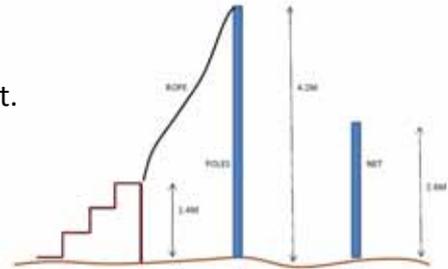

Muddy Mounds

Make your way up, over and down the sticky mud and dirt mounds.

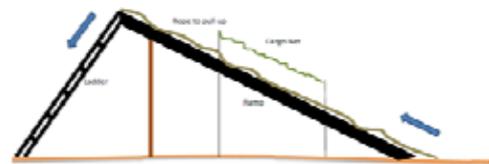

Jungle Swing

Swing like Tarzan and Jane off a low platform into a net.

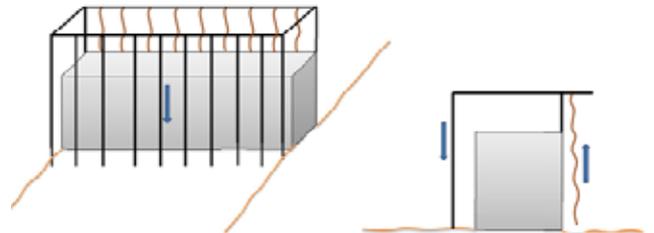

Slippery Ramp

Get down low and pull your way up a slippery ramp on your stomach using a rope.

Fireman's Pole

Climb some stairs to slide down a fireman's pole like the real thing.

Boot Leggin

Crawl your way through a dark tunnel under the giant ramp.

Walk the Line

Balance your way along a giant balance beam set. It's not high but it takes some concentration.

Wet n Wild

Run, walk or crawl your way through this boggy wet mess.

Stampede Stagger

Stagger and stumble your way up a rocky off track section of the course.

Log Roll

Army roll and crawl over and under these logs.

Water Worx

Swim over these five floating tubes
Suspended in a shallow water course.
